FOREWORD

The life expectancy of the *Handbook of Information* is but one year. This appears all too brief for the great amount of work that goes into the preparation for its publication and distribution.

But books, like men, live in deeds rather than in years. This *Handbook* will serve you well as you refer to it for information. It will alert you to prayer for the many pastors and church workers listed on its pages and it will remind you to thank God for His strength and counsel which we know in the continuing ministry of the church. To serve twelve months in this way is to live excellently, though briefly.

Orlando A. Waltner, Executive Secretary
